### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: A method is claimed for forming a memory device with a device region and a guard ring which includes forming an insulating layer, a conductive layer and then removing part of the conductive layer, except in the guard ring region. Lee et al. (6,562,679) shows a similar process for forming a memory region and a guard ring region but both regions have part of the conductive layer removed and the process is not the same as that claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas A. Wille whose telephone number is (571) 272-1721. The examiner can normally be reached on M-F (6:15-2:45).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on (571) 272-1705. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
